Re: Jessica Mirshak v. City of New York et. al. v. Xiao Nan Chen
 Docket No.: 18-cv-00374 (AT)

Dear Judge Torres:

We represent Defendants/ Third-Party Plaintiffs City of New York and Karolina Kondzielewska Abramowicz (collectively for this letter “the City”) in the above-referenced action. I respectfully submit this joint letter to request an extension of the fact discovery and expert discovery deadlines to May 29, 2019 and June 28, 2019, respectively, and a corresponding extension of the interim dates set forth in the Civil Case Management Plan and Scheduling Order. The current deadlines for fact and expert discovery are March 29 and April 30, respectively. A case management conference is scheduled for April 16, 2019.

This is the parties’ fifth request for an extension of the discovery deadlines, and all parties consent to this request. The Court granted the parties’ prior requests for an extension.

This personal injury action arises from a three-vehicle motor vehicle accident that occurred on November 16, 2017. Plaintiff was a passenger in the vehicle owned and operated by Defendant/ Third-Party Defendant Xiao Nan Chen.

The parties have continued to work diligently to complete the additional discovery related to the new medical providers and additional care and treatment plaintiff disclosed in her Supplemental Rule 26 Disclosure. At this time, the discovery outstanding is the completion of two independent medical examinations of plaintiff. Both doctors have been designated. One examination is scheduled for April 9, 2019, and the parties are still waiting for the second

examination to be scheduled. The aim is to have both examinations completed by the end of April.

For these reasons, the parties respectfully request that the fact and expert discovery deadlines, and the interim deadlines, be extended.

Respectfully submitted,

/s/ Daniela Jampel
